Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above. Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule A of your report discloses contributions from political committees, but fails to provide some or all of the contributor information including the complete name, **address**, aggregate election cycle-to-date total, amount and date of receipt. Note that reporting only the name of the connected organization, abbreviating the name of the committee so it is unrecognizable, or using an indistinguishable acronym is inadequate. A listing of the full FEC-registered committee names, FEC Committee ID numbers, and approved acronyms can be found on the FEC web site (www.fec.gov) or can be obtained by contacting the FEC Public Disclosure Division. Please amend your report to include the missing information.
(11 CFR § 104.3(a)(4)(ii))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
